OUR AM BITIONS

LA « VISITOR ECONOMY »

Dépasse les limites traditionnelles du tourisme,
analyse l'environnement global dans lequel le visiteur
interagi avec la destination

Analyse les **impacts directs & indirects** générés au
niveau économique, culturel, social et
environnemental

Visiteur:

- Participant à un congrès/salon
- Voyageur loisir
- Bruxellois et Belge
- Etudiant étrangé
- Expatrié

OBJECTIFS – CONTRAT DE GESTION 2023-2028

3 objectifs principaux et transversaux pour les missions de visit.brussels

CONSTRUIRE UNE IDENTITE FORTE POUR BRUXELLES

- Au travers de l'application du “**City Marketing International**”
- Renforcer l'**experience client**

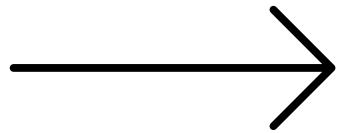

STRATEGIE DE DECENTRALISATION DU TOURISME

- Développer une stratégie de décentralisation **spatiale** et **temporelle**
- **Eviter les effets négatifs** de l'over tourism

PROMOUVOIR ET REALISER UNE “VISITOR ECONOMY” A IMPACT POSITIF

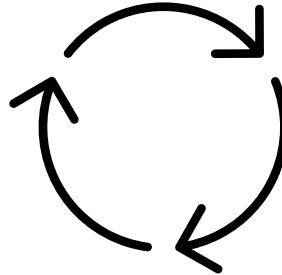

- **Croissance économique saine**
- Soutenir une **vie culturelle riche**
- Intégrer les **aspects sociaux et environnementaux** dans la réflexion

IMPACT POSITIF?

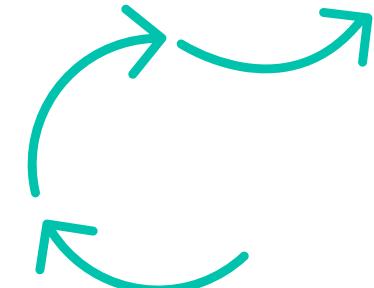

Tourisme **classique**

Richt zich alleen op de economische impact, met weinig aandacht voor de langetermijnimpact van reizen.

Tourisme **durable**

Rekening houden met de ecologische voetafdruk en hoe deze te verkleinen.

Tourisme à **impact positif**

Rekening houdend met de directe en indirecte effecten van toerisme op 4 hoofdgebieden: economisch, sociaal, cultureel en ecologisch.

Cultural

- Cultural and leisure activities
- Heritage preservation
- The atmosphere and liveliness of the city

Social

- Quality of life for local residents
- Access to tourism and leisure for all
- Diversity, equity and inclusion
- Quality of working conditions

Ecology

- Preserving green spaces
- Protecting the environment
- Soft and active mobility
- Clean public spaces

Economy

- The quality and diversity of jobs
- Infrastructure
- Local and circular economy

A photograph capturing a large crowd of people from behind, their dark silhouettes standing out against a vibrant blue light. In the center, a massive, illuminated geometric structure resembling a truncated icosahedron or a geodesic dome is displayed, its white lines glowing against the blue background. The scene is set outdoors at night, with metal scaffolding visible in the background.
